## Crochet planning

---

X20288\_en

### Input

Single or multiple lines containing the characters granny Mary used to represent each type of stitch. When reading a '#' it will mean the end of the sequence.

### Output

Amount of yarn required in cm.

#### Sample input 1

```
o+T
#
```

#### Sample output 1

```
4.5
```

#### Sample input 2

```
oT++T
T+ooo
#
```

#### Sample output 2

```
14.5
```
